Basketball Report

Thursday February 18th 2016

The Interschool Basketball competition for Middle School Boys and Girls was held on Thursday February 18th at the Marrara Indoor Basketball Stadium. O’Loughlin entered 3 girl’s teams and 3 boy’s teams. The day was extremely successful with the students modelling great sportsmanship and behaviour.

Our teams were very competitive and successful in placing within the pools. Students happily volunteered to umpire and score and were supportive of all O’Loughlin teams. Students enjoyed the opportunity to play some basketball, catch up with friends, make new friendships and enjoyed the spirit of the day.

The Girls teams
