Bell Shakespeare

‘If we shadows have offended, think but this and all is mended’ Quote from William Shakespeare’s Midsummer Night’s Dream.

On Thursday 16\textsuperscript{th} April O’Loughlin Catholic College students from 9-12, were treated to a theatrical experience by the national touring company, Bell Shakespeare. All drama students from Year 9-12 and Year 10 watched a 50 minute, very funny, condensed adaptation of A Midsummer Night’s Dream. Students loved the play and the barn was filled with laughter throughout the performance.

After a quick break and a mood change, Stage 1 and 2 drama and Year 11 were taken back to a time of murder and revenge, witnessing a condensed adaptation of the tragedy, Macbeth. The students were mesmerized by the performance and thoroughly enjoyed watching a meaningful performance.

Thank you to all students for being an attentive and fantastic audience.
