Indigenous Cadetship Programme
The Indigenous Cadetship Support (ICS) program is a career development program which enables Indigenous students undertaking an undergraduate degree to gain the professional qualifications and work experience needed for a range of jobs in the Northern Territory Public Service (NTPS).
The cadetship involves students studying full time and working in the respective agencies during the major semester breaks as part of the on-the-job component of the program.
The cadetship offers:
• study allowance of $12 000 ($600 gross per fortnight) each year while you are studying full time
• Higher Education Loan Program (HELP) fees paid on passed units
• 12 weeks work placement each year at the Administration 2 (AO2) level
• $1000 allowance for text books each year.
Advertising for cadets occurs once a year and is published in the NT News and online at
