Big congratulations to all of the Year 7 Mathematics students on producing such creative ‘Cities’ for their Maths assignments. Everyone should be really proud of the effort they put in.

Each class nominated their top cities which were later voted on by all staff. The finalists can be seen below.

A special congratulation goes out to the top three students with the most votes:

1st Place: Samantha Bundell (7.2)
2nd Place: Sarah Penney (7.1)
3rd Place: Neilson Chang (7.3)

Well done everyone. Keep up the good work!!
