Dear O'Loughlin Community,

Welcome Back!

It has been a very positive start to the year. We have all returned refreshed and ready to take on the challenges. I said to our College at assembly, we understand who we are and what we are here for – ‘we are here to strive to be the best we can be’. Teachers, staff and students are at O’Loughlin to work collaboratively in order to reach our potential. Our community knows what this is all about and it is going to be an exciting year.

2017 was a very successful year for the College, both inside and out of the classroom and I specifically wish to congratulate again the Graduating Class of 2017. There were so many success stories and we are very proud of the Year 12’s efforts. A few notable achievements were:

- Kevin Tomy (College Captain) achieved an ATAR score of 95.2. He is about to start his Engineering Course at Monash University in Melbourne.
- Kate Gornall won almost every award possible while completing her VET courses AND achieved an ATAR score of 90.7. She achieved an A+ for the subject Workplace Practices.
- Anna Kitsos and Tori Linnett also achieved A+ for Workplace Practice.
- Helen Wallace, who sang so beautifully at our Presentation Night, achieved an A+ Merit for Music.
- Nathan Lim also achieved an ATAR of 90.2.

We are looking forward to more great achievements this year from all Year Levels.

We welcome new teachers and assistant teachers to the College:

Enrique Rouaik Espinel (Business/Legal Studies), Helena Brain (English/History), Hannah Smith (Humanities/RE), Jane Ramsay (Science/Maths), Tara Tartaglia (Humanities/Languages), Dan Sivan (PE/Maths/PLP) and Brooke George (Creative Arts/PE). Lauren Raven (Defence Transition Mentor), Emma Fitzgerald, Rebecca Murden, Kay Nesbit, Kerrie Wattam (ISA’s) and Jake O’Donnell (IT support).

It is also wonderful to welcome back Debra Bonde (Head of Senior School), Kaleena Slaviero (Year 7 Coordinator) and Jennifer Kinsella from Maternity Leave. And Cassandra Henderson, who has returned to be our Head of PE/Health Faculty.

I wish you the very best for the year and look forward to meeting you all again soon.

Mr Rhett Bowden

LOCKERS AND LOCKS

Students are required to provide their own locks for their homeroom lockers this year, whether it’s a padlock or combination lock.

Homeroom teachers should be provided with a spare key or the combination for safe keeping in the event of a student misplacing their key or forgetting their combination.

A guideline has been provided below to ensure the correct size lock is chosen.

Oloughlin BYOD Requirements Checklist

Other Essential Considerations

**Casing**

- **Needs** have a tough and sturdy outer shell. Can it be dropped without breaking?

**Weight**

- **Is the** notebook light enough for your child to carry each day? Recommend less than 1.8 kg for ease and portability in school bag

**Carry Case**

- A carry case or skin is essential in protecting the notebook in the school bag.

**Not recommended**. Not required for school

---

It is because BYOD is being conducted in an educational setting that **THE FOLLOWING DEVICES ARE NOT PERMITTED UNDER BYOD**:  

- Smart phone
- iPod
- MP3

Students will be in charge of their own devices, the College is not responsible for lost, stolen or damaged devices. We highly recommend students use a protective case or bag. O’Loughlin Catholic College is also under no obligation to provide technical support for hardware or software

**NOTE:**  
Ipads are acceptable if that is what your student is already using, but not recommended at O’Loughlin Catholic College as there are issues with printing, saving and ergonomics. If possible please look at alternatives
