Hello All,

Term Three is in full gear and we are motoring along. There has been much activity and our Senior School is trying hard to achieve to our potential. The Year 12 students and their teachers are working diligently to complete assessments and are desperately trying to maintain their positive outlook and sense of humor. The Year 11s engaged in a wonderful Retreat last week and I felt privileged to be a part of the experience. And our Year 10s are gaining a ‘real’ appreciation of what work is all about during ‘work experience’.

It can be a challenging time for many students, in particular the Year 12s, and I thank parents, guardians and our community for the continual support of the student body and the College. We will continue to work together to enable our students to achieve great things.

**Senior School 2017 - Information Evenings**

During Week 6 we are conducting two information evenings:

**Wednesday 31 August, 6:00pm-7:00pm** for Year 9s going into Year 10 in 2017

**Thursday 1 September, 6:00pm – 7:00pm** for Year 10s going into Year 11 2017.

(For Year 11s going into Year 12 in 2017, there will be individual interviews and, therefore, no Information Evening.)

The Information Evenings will be held in ‘The Barn’ to present and explain the relevant subjects, the selection process and the Northern Territory Certificate of Education (NTCET). All parents and students are encouraged to attend.

The first half of the evening is dedicated to the explanation of subject choices and how the curriculum is structured. The second half will give you and your student time to speak directly to our Heads of Department, Director of
Pedagogy and Curriculum, Head of Senior School, Careers Coordinator or other senior teachers.

These sessions are important, as both students and parents need to understand the different options available in order to make an informed choice of subjects and future ‘pathway’.

If you have any questions about the evening, please call me or email on rhett.bowden@nt.catholic.edu.au.

We look forward to seeing you.

Mr Rhett Bowden
