We would like to say a huge thanks to all the students, teachers, parents and friends of the College who came along to help celebrate this growing festival. By far, this year’s “Slice of Life” festival was one of the best we’ve had. This event keeps getting bigger and better each year and we have the College community to thank for their support. There were wonderful displays highlighting the skill and talent of our students here at the College. The night was a flurry of entertainment from the Visual Arts, Graphic Design, Wood and Food departments, to some fabulous performances from the Music and Drama departments.
