Social Media and Reputation Management Guide

Social media can be a useful tool to keep in contact with friends and family. It can allow young people to create their own space and express their personality and market themselves to the world. This can help them to formulate their sense of identity. However, young people have to be aware of what information is shared and with whom.

CatholicCare NT Children and Parenting Support

CatholicCare NT is a not-for-profit organisation, providing counselling services and programs to individuals, couples, families, children, groups, schools and agencies across the Northern Territory.

They are dedicated to the growth and enrichment of all people in a non judgmental and professional manner and offer a diverse range of personal, social, community and organisational options while remaining responsive to individual needs.

Mental Health Week 2015

With one in five Australians affected by mental illness in a 12-month period it’s an issue that impacts so many of us. CatholicCare NT offers a range of services to support people and their families affected by mental illness.
